Introduction

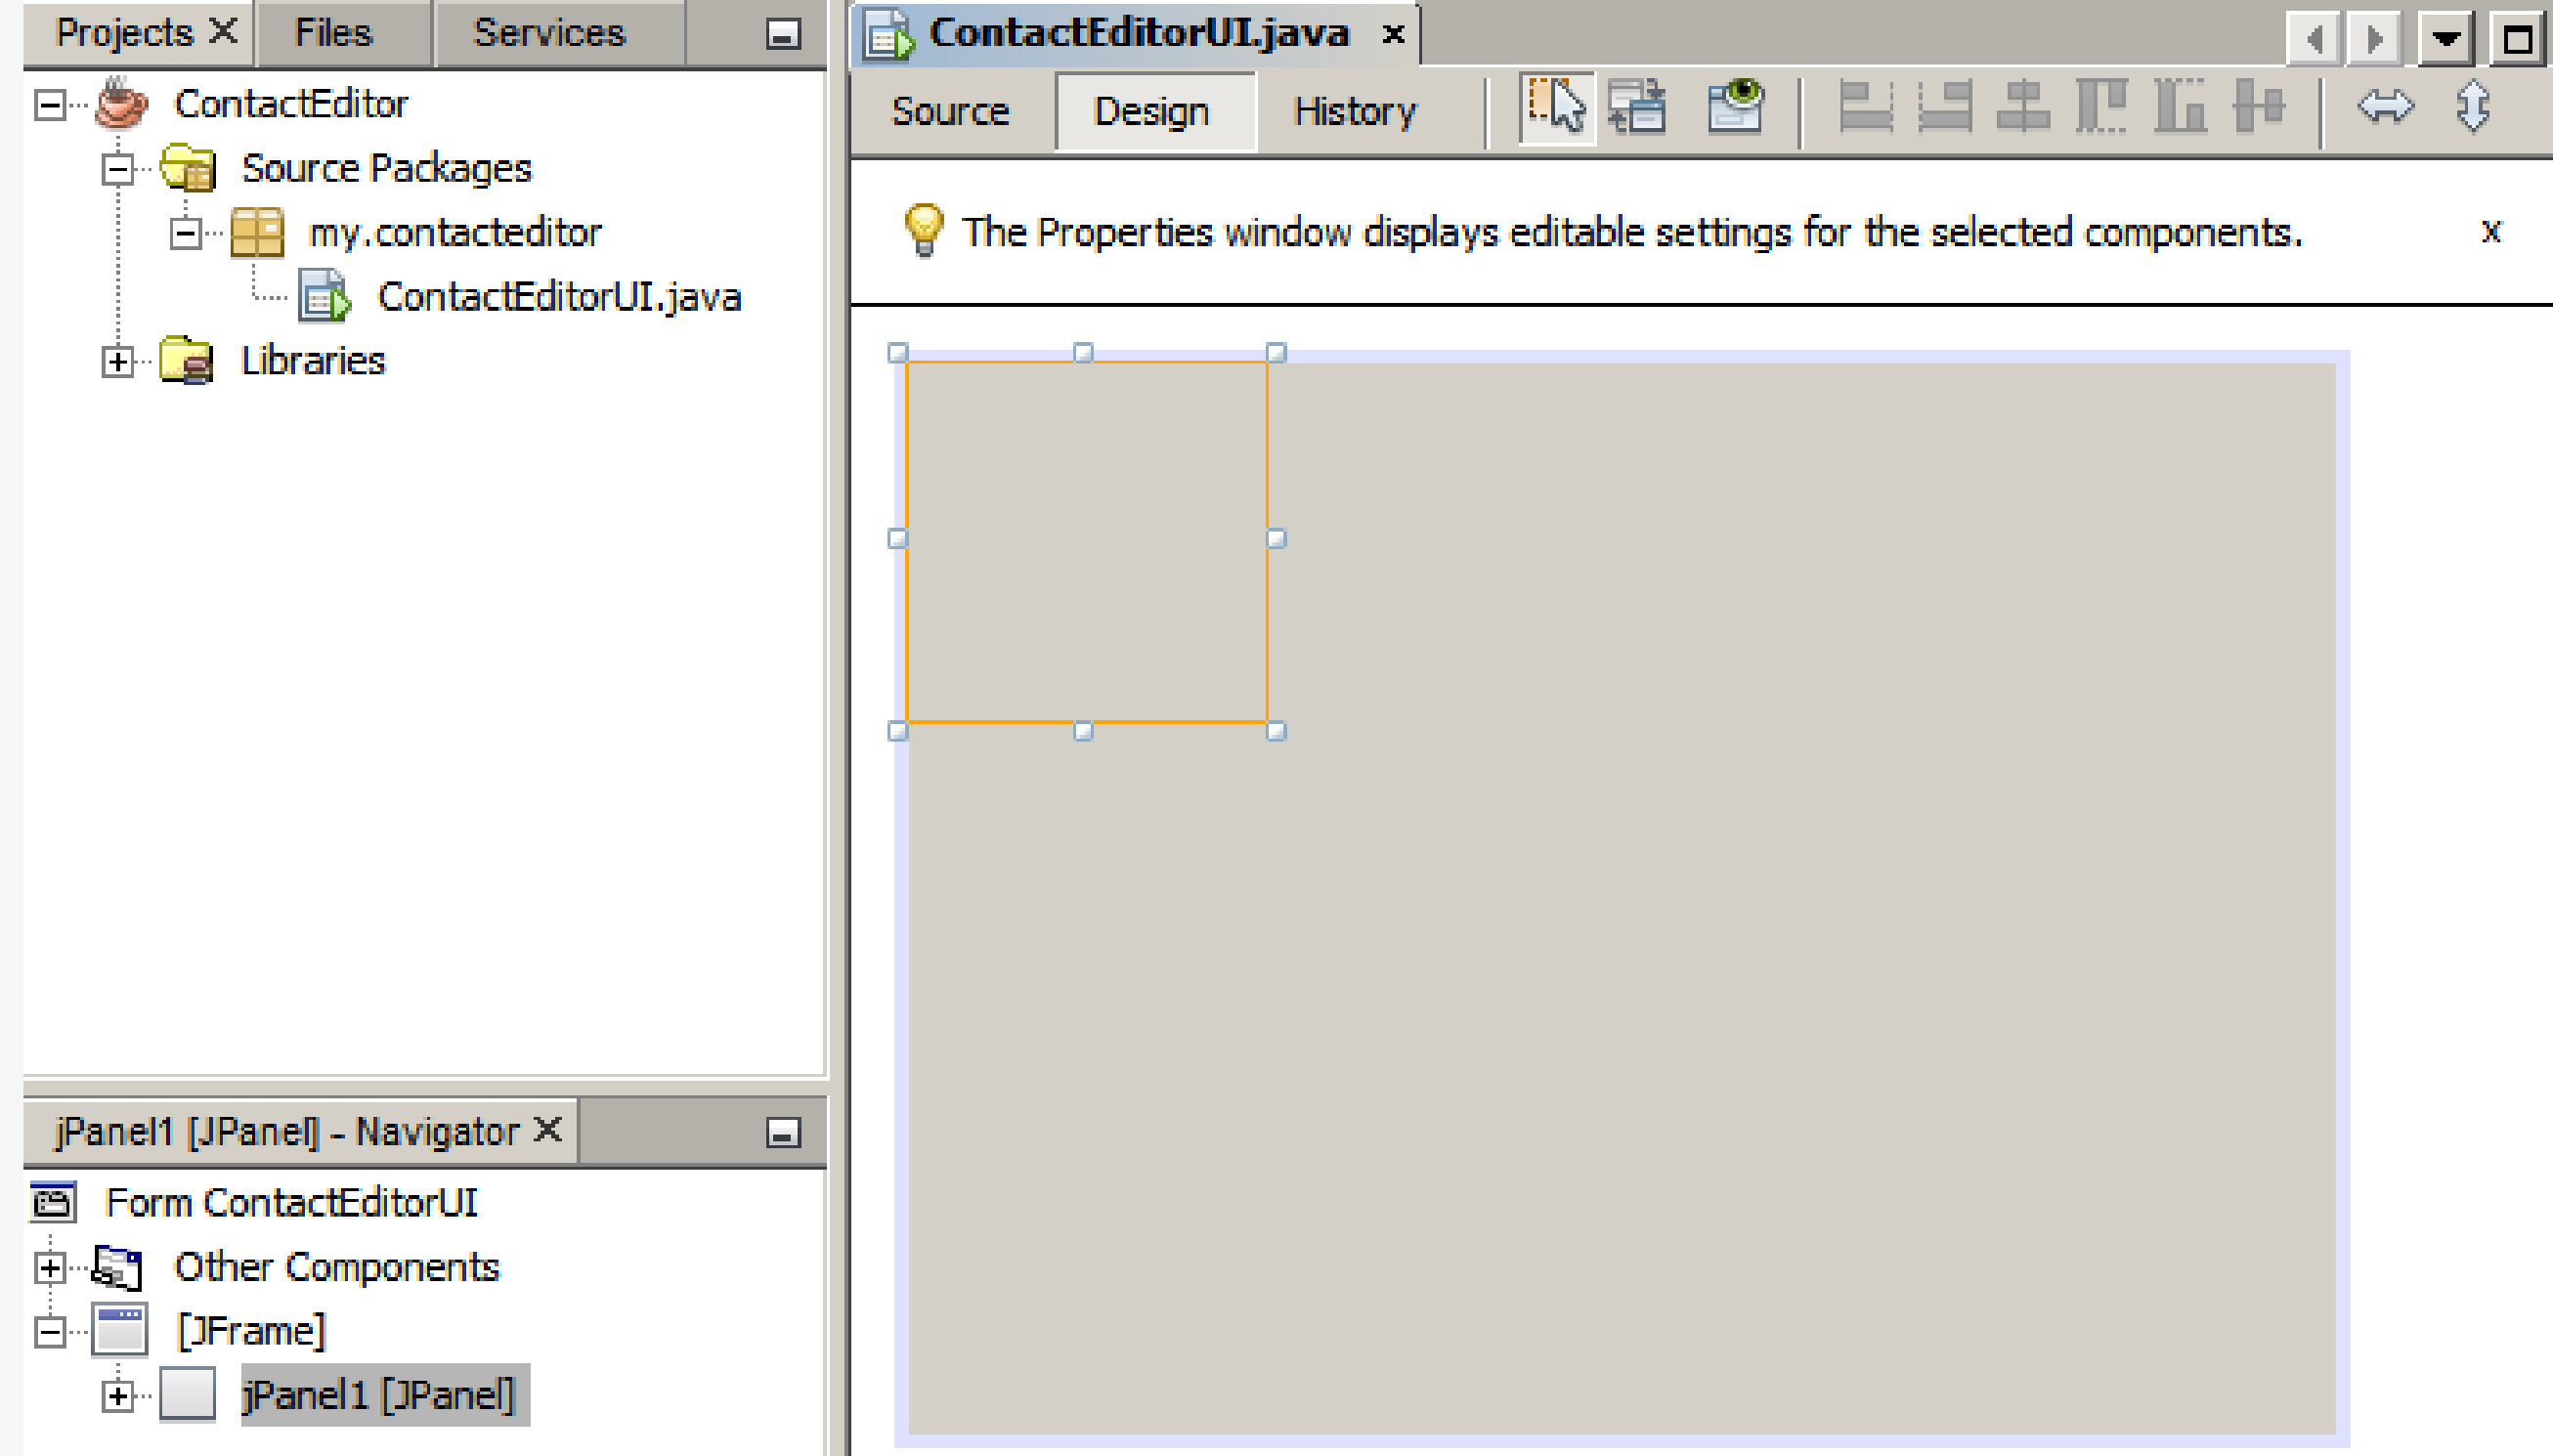

EQUATION SOLVER PROJECT

Calculator

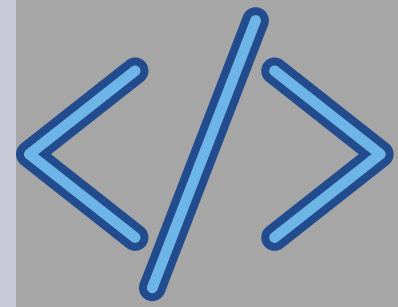

Linear Equation Solver

Quadratic Equation Solver

Factorial Calculator

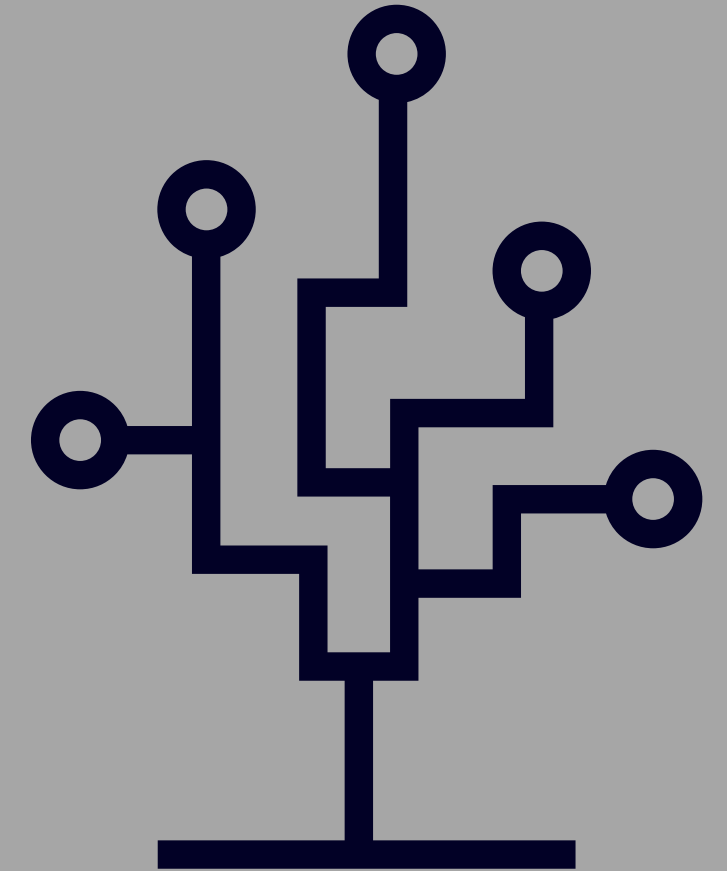

Creation of user interface

Challenges we faced

- Calculation of factorial of big number
- Editing for the functionality for each button
- Design creation

Quadratic
and linear
equation
consist of

The diagram features a dark blue circle containing the text 'Quadratic and linear equation consist of'. Two arrows originate from the bottom of this circle, pointing towards the text '3 text fields for inputting the coefficants' on the left and 'one button which gives the result' on the right. In the background, a portion of a white laptop keyboard is visible, showing keys such as 'esc', 'F1', 'F2', 'F3', 'F4', 'F5', 'F6', 'tab', 'caps lock', 'shift', 'fn', 'control', 'option', and 'command'.

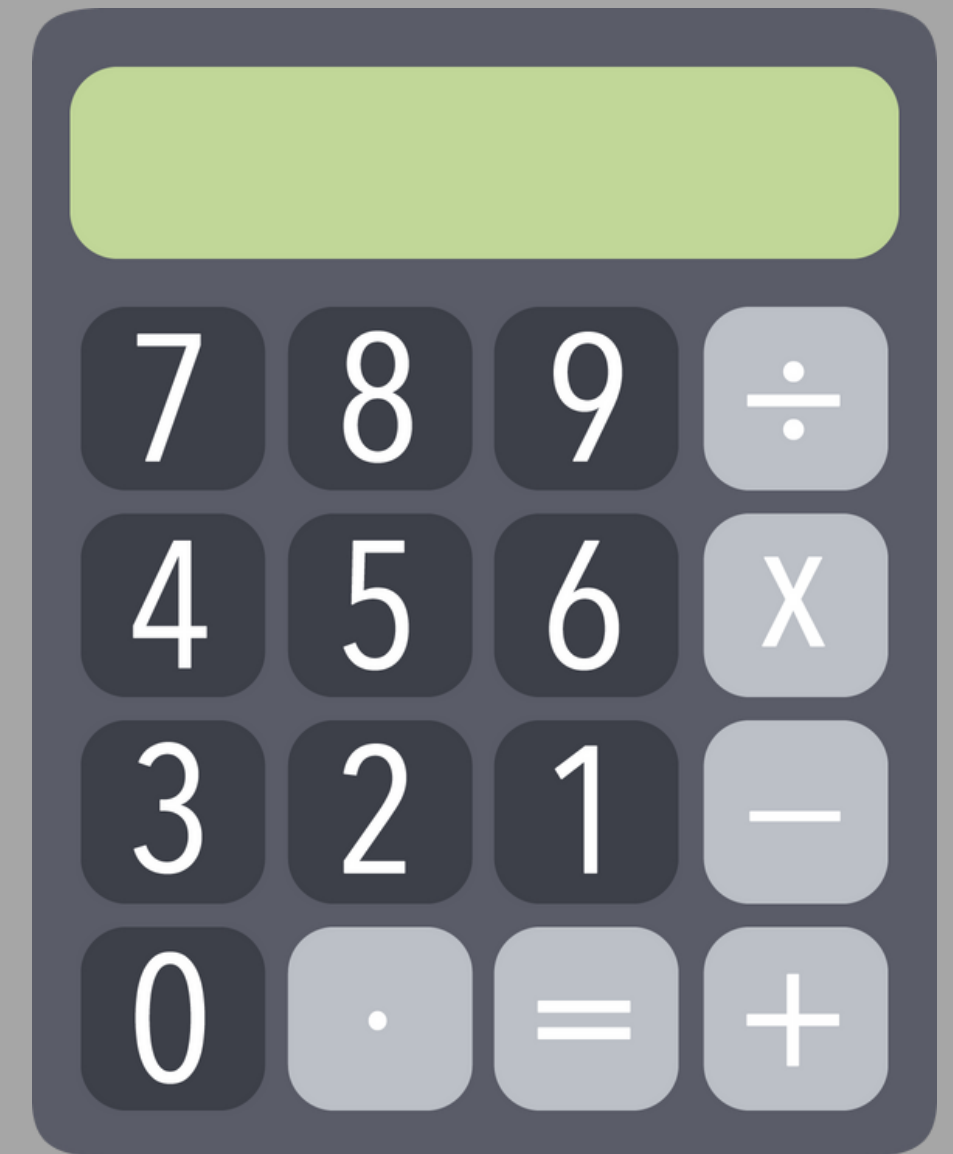

3 text fields for inputting the coefficants

one button which gives the result

Calculator

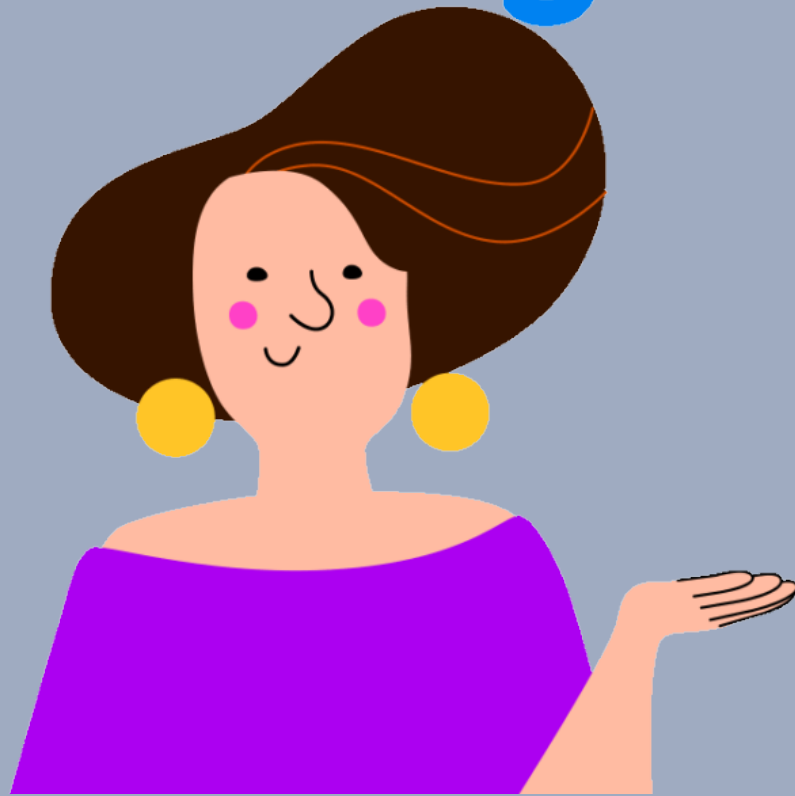

Consists of numbers from 0-9

Simple mathematical operators

Thank you for attention

thank you

Now, my teammates will demonstrate our program in
practice
